On behalf of our client, Social Capital Suvretta Holdings Corp. For your convenience, the Staff's comment is set forth in bold, followed by a response on behalf of the Company.

**General**

**1. We note your revised disclosure regarding the anticipated sale of up to five percent of the securities via SoFi Securities' online brokerage platform. Please revise the risk factor section to address separately the risks to investors that purchase through the SoFi platform, including, for instance, the risk that such purchasers may be subject to additional fees and restrictions. In this regard, please further clarify what you mean by "risks related to the technology and operation of the platform, and the publicity and the use of social media by users of the platform that [you] cannot control." For example, does the platform fail to meet regulatory or technological safeguards? What is the nature of the risk resulting from social media?**

Response: In response to the Staff's comment, the disclosure on pages 63 and 158 of Amendment No. 2 has been revised.
